

Testing Card

Website

A website that will help students learn about the campus, events, and facilities

Step 1 hypothesis

We believe that new and returning students don't benefit enough from orientation and tour and need to know more about the campus

Step 2 test

To verify we will ^{make} a website that will display a better alternative than

Step 3 Metric

Measure what is used the most on the website (amount of clicks)

Step 4 Criteria

We are right if more than 25 people click our website
